**Mariposa - Latin American Lullabies and Songs of Tranquility For the Whole Family**

Juanita Newland-Ulloa Canta Conmigo Family Music Series - Ulloa Productions

CD

\$17.00

This is an amazing collection of beautiful songs that anyone can enjoy. The sweet and relaxing tunes will lull

both you and your baby into pleasant slumbers. The title song, Mariposa, is a perfect example of

Juanita Newland-Ulloa's talents. Sung in English and Spanish, this beautiful story of flying showcases Juanita's wonderful piano score. "In this project I wanted people of all ages, even babies, to be able to absorb the sounds of the language by listening to the music", says Juanita. "Mariposa is meant to inspire...in a quiet, inward way. You can purchase this wonderful CD from various music stores, you may order directly on-line at [www.juanitamusic.com](http://www.juanitamusic.com) or through [www.amazon.com](http://www.amazon.com).
